P.R.R.M College of Pharmacy, Kadapa, organized a two-week certificate program on **medical device and drug development** for III B Pharmacy students by the resource person **Dr. B. NARASIMHARAO**. Medical device development is an inherently complex process with increasingly rigid requirements that must be met for FDA approval and/or EU MDR compliance. The medical device development life cycle involves a series of unique phases that must be followed to ensure design control. The steps involved in the medical device development process include initial concept, product design, prototyping, design verification and validation, and medical device manufacturing.

VISION

To provide quality and evidence based educational approaches in order to enable students face emerging challenges in the profession of pharmacy.

MISSION

To inculcate professional competence by providing students with the best possible curricular facilities in order to contribute to the health of local and Global communities.

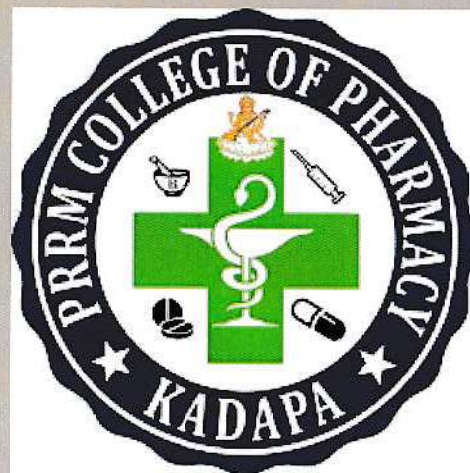

ABOUT THE COLLEGE

P. Rami Reddy Memorial College of Pharmacy was established in the year 1997 by Sree Saraswathi Educational Society at Kadapa. Our college is one of the premier institute in pharmaceutical education and research in the country. To encourage the talent from the rural areas we started the first pharmacy college as P. Rami Reddy Memorial College of Pharmacy in Rayalaseema region of Andhra Pradesh.

The B.Pharmacy course was started in the year 1997 with 60 admissions and raised the intake to 100 in 2014. Pharm.D and Pharm.D (PB) courses were introduced in the year 2008 and 2009 respectively. The M.Pharmacy course was started with Pharmacology (2010), Pharmaceutics (2010), Pharmaceutical Analysis (2011) and Pharmacognosy (2011).

VISION

To provide quality and evidence based educational approaches in order to enable students face emerging challenges in the profession of pharmacy

MISSION

To inculcate professional competence by providing students with the best possible curricular facilities in order to contribute to the health of local and Global communities.

ABOUT THE COLLEGE

P. Rami Reddy Memorial College of Pharmacy was established in the year 1997 by Sree Saraswathi Educational Society at Kadapa. Our college is one of the premier institute in pharmaceutical education and research in the country. To encourage the talent from the rural areas we started the first pharmacy college as P. Rami Reddy Memorial College of Pharmacy in Rayalaseema region of Andhra Pradesh.

The B.Pharmacy course was started in the year 1997 with 60 admissions and raised the intake to 100 in 2014. Pharm.D and Pharm.D (PB) courses were introduced in the year 2008 and 2009 respectively. The M.Pharmacy course was started with Pharmacology (2010), Pharmaceutics (2010), Pharmaceutical Analysis (2011) and Pharmacognosy (2011).

Objectives:

1. To build skilled and effective professionals for the pharma sector by improving the quality and standards of pharmaceutical education and management skills.
2. To meet and contribute to the rapid growth and diversification of the pharmaceutical industry.
3. To make the students well acquainted with the industrial environment and their working behavior.
4. To keep students engaged and updated about the current pharma affairs and their activities.

Topics covered:

1. Economics
2. Financial management
3. Marketing
4. Healthcare economics
5. Pharmacology
6. Anatomy and physiology

Outcomes of the program:

After the successful completion of A Two- Week Certification Program for II B. Pharm students on **GMP IN PHARMACEUTICAL MANAGEMENT**, the following outcomes were achieved.

1. Consistent automated data collection, user bias, or other variables which can manipulate outcomes were avoided.
2. Compliant templates that simplify designing & and exporting electronic case report forms were provided.
3. Data quality management safety, and security were ensured.

VISION

To provide quality and evidence based educational approaches in order to enable students face emerging challenges in the profession of pharmacy

MISSION

To inculcate professional competence by providing students with the best possible curricular facilities in order to contribute to the health of local and Global communities.

ABOUT THE COLLEGE

P. Rami Reddy Memorial College of Pharmacy was established in the year 1997 by Sree Saraswathi Educational Society at Kadapa. Our college is one of the premier institute in pharmaceutical education and research in the country. To encourage the talent from the rural areas we started the first pharmacy college as P. Rami Reddy Memorial College of Pharmacy in Rayalaseema region of Andhra Pradesh.

The B.Pharmacy course was started in the year 1997 with 60 admissions and raised the intake to 100 in 2014. Pharm.D and Pharm.D (PB) courses were introduced in the year 2008 and 2009 respectively. The M.Pharmacy course was started with Pharmacology (2010), Pharmaceutics (2010), Pharmaceutical Analysis (2011) and Pharmacognosy (2011)
