VISION

To provide quality and evidence based educational approaches in order to enable students face emerging challenges in the profession of pharmacy

MISSION

To inculcate professional competence by providing students with the best possible curricular facilities in order to contribute to the health of local and Global communities.

ABOUT THE COLLEGE

P. Rami Reddy Memorial College of Pharmacy was established in the year 1997 by Sree Saraswathi Educational Society at Kadapa. Our college is one of the premier institute in pharmaceutical education and research in the country. To encourage the talent from the rural areas we started the first pharmacy college as P. RamiReddy Memorial College of Pharmacy in Rayalaseema region of Andhra Pradesh.

The B.Pharmacy course was started in the year 1997 with 60 admissions and raised the intake to 100 in 2014. Pharm.D and Pharm.D (PB) courses were introduced in the year 2008 and 2009 respectively. The M.Pharmacy course was started with Pharmacology (2010), Pharmaceutics (2010), Pharmaceutical Analysis (2011) and Pharmacognosy (2011).

Objectives

- To recognize the information needed, while caring for a patient.
- To identify the best existing evidence to help resolve the problems.
- To integrate the evidence into a medical plan.
- To integrate individual clinical expertise, patient values, and relevant clinical research to make the best decision for patient care.
- To optimize healthcare decision-making based on well-conducted clinical or research studies.

Topics covered

- Practice guidelines and standards-setting bodies
- Quality assurance systems
- Research appraisal process
- Databases
