Vision:

To provide quality and evidence based educational approaches in order to enable students face emerging challenges in the profession of pharmacy

Mission:

To inculcate professional competence by providing students with the best possible curricular facilities in order to contribute to the health of local and Global communities.

ABOUT THE COLLEGE

P. Rami Reddy Memorial College of Pharmacy was established in the year 1997 by Sree Saraswathi Educational Society at Kadapa. Our college is one of the premier institute in pharmaceutical education and research in the country. Vibrant infrastructures, friendly management, supportive faculty are the sources of PRRMCP's success. The course programme and campus life aims to extract hidden talent in student community both in academics and extracurricular activities.

Students of PRRMCP are accorded a high quality of university education and the institution is fully responsive to contribute 21st century pharmacists for managing drug therapy outcomes and to meet challenges as future practitioners. Our college graduates are placed in various pharmaceutical industries & Companies in India and abroad

Venue:
PRRMCP-Class Room

Objective of the programme:

The seminar aims to inspire and motivate individuals to consider entrepreneurship as a viable career option. It seeks to highlight the personal, financial, and societal benefits of becoming an entrepreneur, such as independence, flexibility, potential for financial success, and the opportunity to make a significant impact. The seminar also intends to provide insights into the entrepreneurial journey, including the challenges faced and how to overcome them. Furthermore, it aims to equip participants with practical knowledge and skills needed in the entrepreneurial world, such as innovation, risk-taking, and decision-making.

Topics Covered:

- Understanding Entrepreneurship
- Personal Benefits of Entrepreneurship
- Societal Benefits of Entrepreneurship
- The Entrepreneurial Journey
- Entrepreneurial Skills and Traits
- Resources for Entrepreneurs

- ✓ Resources for Entrepreneurs

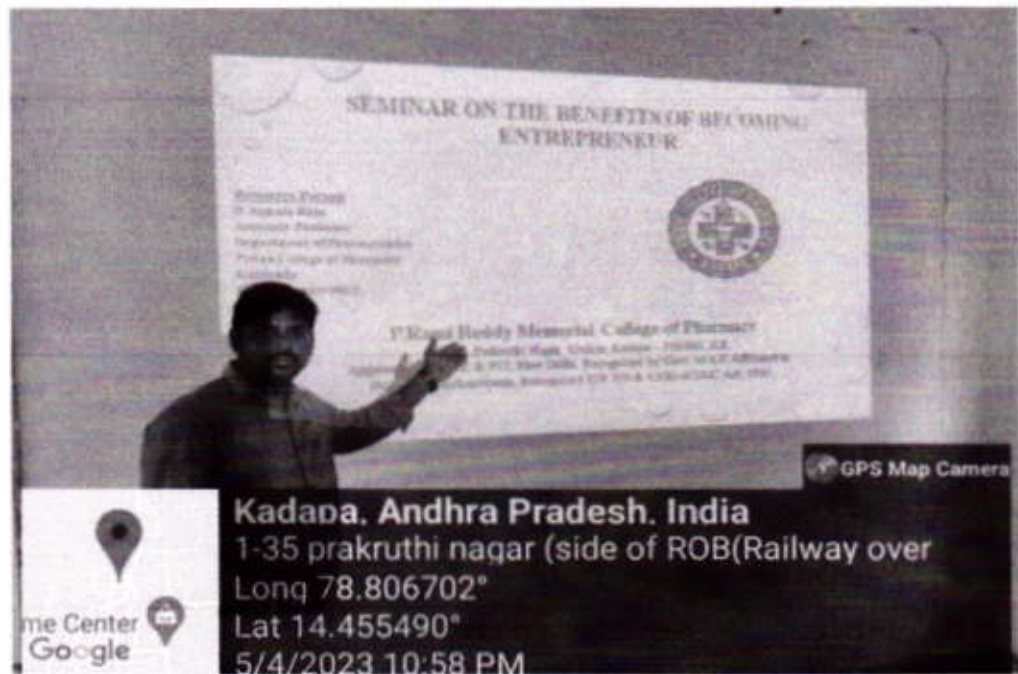

P. RAMI REDDY MEMORIAL COLLEGE OF PHARMACY

44/35-1, Prakruthi Nagar, Utukur, Kadapa – 516 003 A.P.

Approved by AICTE & PCI, New Delhi, Recognised by Govt. of A.P.

Affiliated to JNTUA, Ananthapuramu. Recognised U/S 2(f) & 12(B) of UGC Act, 1956.

Mr. D. Appala Raju gave a presentation on the benefits of becoming entrepreneur on 05/04/2023

Outcome of the Programme

Students are expected to have a comprehensive understanding of entrepreneurship and its benefits. They should be able to appreciate the personal, financial, and societal advantages of becoming an entrepreneur. Students will gain insights into the entrepreneurial journey, including the challenges faced and strategies to overcome them. They will also understand the key skills and traits that contribute to entrepreneurial success. Furthermore, participants will be aware of the resources available to support entrepreneurs. Ultimately, the seminar aims to inspire participants to consider entrepreneurship as a viable career option and to cultivate an entrepreneurial mindset.

Objective of the programme:

The one-day seminar on Research Methodology and Biostatistics aims to enhance the understanding of the fundamental principles and concepts of research methodology and biostatistics. It provides hands-on experience in designing research studies, formulating hypotheses, and selecting appropriate statistical tests. The seminar promotes the use of statistical software for data analysis in biomedical research and encourages interdisciplinary collaboration between researchers, statisticians, and other stakeholders.

Topics Covered:

- Introduction to Research Methodology
- Formulating a Research Question and Hypothesis
- Research Design
- Data Collection Methods
- Statistical Analysis
- Use of Statistical Software
- Reporting Research Findings

Affiliated to JNTUA, Ananthapuramu. Recognised U/S 2(f) & 12(B) of UGC Act, 1956.

Mrs. P. Kavitha gave a presentation on Research Methodology and Biostatistics on 17/03/2023

Outcome of the Programme

Students are expected to have a solid understanding of the fundamental principles and concepts of research methodology and biostatistics. They should be able to formulate clear and concise research questions and hypotheses, and select appropriate research designs for their studies. Participants will also gain hands-on experience in using statistical software for data analysis, which will enable them to interpret the results of statistical tests accurately.

CIRCULAR

We are delighted to announce a seminar titled "**Seminar on Molecular Dynamics and Research**" exclusively for III Year Pharm.D students. The event is scheduled for **10/02/2023** and requires prior registration before **09/02/2023**. To register and obtain additional information, please contact the event coordinator.

Venue: PRRMCP-Seminar Hall

Time: 10:00 AM

Programme Coordinator: Dr. D. Vasavi Devi, M.Pharm., Ph.D.,

Professor

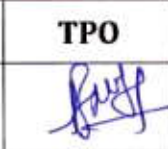

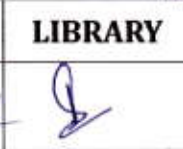

Department of Pharmaceutical Analysis

Vision:

To provide quality and evidence based educational approaches in order to enable students face emerging challenges in the profession of pharmacy

Mission:

To inculcate professional competence by providing students with the best possible curricular facilities in order to contribute to the health of local and Global communities.

ABOUT THE COLLEGE

P. Rami Reddy Memorial College of Pharmacy was established in the year 1997 by Sree Saraswathi Educational Society at Kadapa. Our college is one of the premier institute in pharmaceutical education and research in the country. Vibrant infrastructures, friendly management, supportive faculty are the sources of PRRMCP's success. The course programme and campus life aims to extract hidden talent in student community both in academics and extracurricular activities.

Students of PRRMCP are accorded a high quality of university education and the institution is fully responsive to contribute 21st century pharmacists for managing drug therapy outcomes and to meet challenges as future practitioners. Our college graduates are placed in various pharmaceutical industries & Companies in India and abroad

Professor & Principal

Programme Coordinator

Dr. D. Vasavi Devi, M.Pharm., Ph.D.,
Associate Professor
Department of Pharmaceutical
Analysis

Objective of the programme:

The objective is to provide students with a comprehensive understanding of the fundamental concepts and principles of molecular dynamics, including the underlying physics, mathematical techniques, and computational methodologies involved. To explore the diverse range of applications of molecular dynamics in different scientific and industrial domains, such as chemistry, biology, materials science, and drug discovery, highlighting its significance in contemporary research

Topics Covered:

- Understanding the Fundamentals
- Applications in Various Fields
- Computational Tools and Techniques
- Advanced Simulation Methods
- Analysis and Interpretation
- Research Opportunities
- Future Directions

Affiliated to JNTUA, Ananthapuramu. Recognised U/S 2(f) & 12(B) of UGC Act, 1956.

Ms. U. Abhinava Sri gave a presentation on the molecular dynamics and research on 10/02/2023

Outcome of the Programme

Equip Students with a deep understanding of molecular dynamics and its significance in contemporary research. the seminar aims to provide a solid foundation by elucidating fundamental concepts, including the physics, mathematical underpinnings, and computational techniques essential for molecular dynamics simulations. Through this, students will gain the necessary knowledge to initiate and conduct research in this field effectively.

Vision:

To provide quality and evidence based educational approaches in order to enable students face emerging challenges in the profession of pharmacy

Mission:

To inculcate professional competence by providing students with the best possible curricular facilities in order to contribute to the health of local and Global communities.

ABOUT THE COLLEGE

P. Rami Reddy Memorial College of Pharmacy was established in the year 1997 by Sree Saraswathi Educational Society at Kadapa. Our college is one of the premier institute in pharmaceutical education and research in the country. Vibrant infrastructures, friendly management, supportive faculty are the sources of PRRMCP's success. The course programme and campus life aims to extract hidden talent in student community both in academics and extracurricular activities.

Students of PRRMCP are accorded a high quality of university education and the institution is fully responsive to contribute 21st century pharmacists for managing drug therapy outcomes and to meet challenges as future practitioners. Our college graduates are placed in various pharmaceutical industries & Companies in India and abroad

Objective of the programme:

- To equip participants with the necessary knowledge and tools to enhance their research skills, enabling them to conduct more effective and rigorous research.
- To provide a comprehensive understanding of various research methodologies, ensuring participants are well-versed in choosing and applying the most appropriate methods for their research projects.

Topics Covered:

- Introduction to Research Methodology
- Choosing a Research Topic
- Literature Review
- Research Design and Methodology
- Data Analysis and Interpretation
- Structuring Your Research Paper

P. RAMI REDDY MEMORIAL COLLEGE OF PHARMACY

44/35-1, Prakruthi Nagar, Utukur, Kadapa – 516 003 A.P.

Approved by AICTE & PCI, New Delhi, Recognised by Govt. of A.P.

Affiliated to JNTUA, Ananthapuramu. Recognised U/S 2(f) & 12(B) of UGC Act, 1956.

Date: 22/10/2022

PROGRAMME REPORT

Programme Name	A One Day Seminar on Crafting of Original Research Paper
Resource Person	Mrs P. K. Devibala., M.Pharmacy, Associate Professor, Department of Pharmaceutics, Gokula Krishna College of Pharmacy, Sullurpeta Tirupati Andhra Pradesh Contact Number: 9177579805 Email Id: devinov15@gmail.com
Date of Activity	21/10/2022
Organized By	P. Rami Reddy Memorial College of Pharmacy
Venue	PRRMCP- Seminar Hall

Objective of the programme:

- To equip participants with the necessary knowledge and tools to enhance their research skills, enabling them to conduct more effective and rigorous research.
- To provide a comprehensive understanding of various research methodologies, ensuring participants are well-versed in choosing and applying the most appropriate methods for their research projects.

Topics Covered

- ✓ Introduction to Research Methodology
- ✓ Choosing a Research Topic
- ✓ Literature Review
- ✓ Research Design and Methodology
- ✓ Data Analysis and Interpretation
- ✓ Structuring Your Research Paper

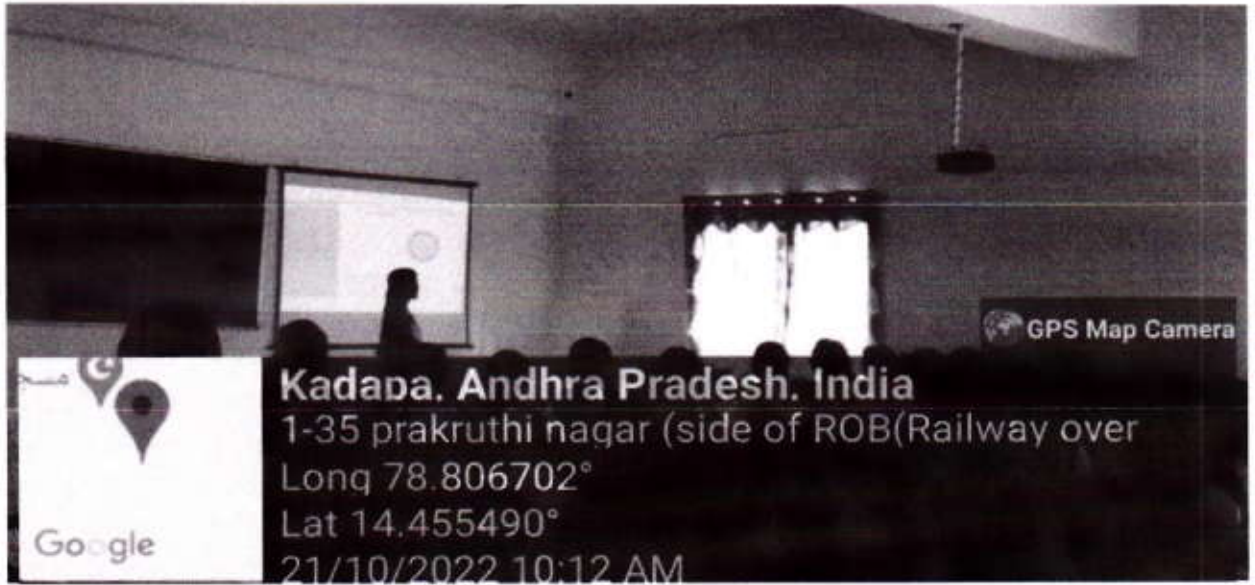

P. RAMI REDDY MEMORIAL COLLEGE OF PHARMACY

44/35-1, Prakruthi Nagar, Utukur, Kadapa – 516 003 A.P.

Approved by AICTE & PCI, New Delhi, Recognised by Govt. of A.P.

Affiliated to JNTUA, Ananthapuramu. Recognised U/S 2(f) & 12(B) of UGC Act, 1956.

Mrs. P. K. Devibala delivered a presentation on Crafting of Original Research Paper during the seminar held on 21/10/22.

Outcome of the Programme

Students will emerge with a robust foundation in research methodology and the practical skills necessary for producing high-quality original research papers in the field of pharmaceutical sciences. They will have gained an understanding of the complete research process, from selecting a research topic to conducting a thorough literature review, designing and implementing effective research methodologies, and analyzing and interpreting data.

CIRCULAR

Dear Students,

We are hosting a one-day seminar titled "**A One Day Seminar on Ethical Considerations in Clinical Research**" exclusively for Pharm.D VI year students on 09/09/2022. This seminar promises to be a valuable experience that will enhance your understanding of ethical principles in clinical research. To attend this informative seminar, you are required to register in advance. Please ensure that you register before 08/09/2022.

Venue: PRRMCP-Seminar Hall

Time: 10:00 AM

Programme Coordinator: Dr. R.Manohar, M.Pharm., Ph.D.,

Professor & Head

Department of Pharmacology

Vision:

To provide quality and evidence based educational approaches in order to enable students face emerging challenges in the profession of pharmacy

Mission:

To inculcate professional competence by providing students with the best possible curricular facilities in order to contribute to the health of local and Global communities.

ABOUT THE COLLEGE

P. Rami Reddy Memorial College of Pharmacy was established in the year 1997 by Sree Saraswathi Educational Society at Kadapa. Our college is one of the premier institute in pharmaceutical education and research in the country. Vibrant infrastructures, friendly management, supportive faculty are the sources of PRRMCP's success. The course programme and campus life aims to extract hidden talent in student community both in academics and extracurricular activities.

Students of PRRMCP are accorded a high quality of university education and the institution is fully responsive to contribute 21st century pharmacists for managing drug therapy outcomes and to meet challenges as future practitioners. Our college graduates are placed in various pharmaceutical industries & Companies in India and abroad

Vision:

To provide quality and evidence based educational approaches in order to enable students face emerging challenges in the profession of pharmacy

Mission:

To inculcate professional competence by providing students with the best possible curricular facilities in order to contribute to the health of local and Global communities.

ABOUT THE COLLEGE

P. Rami Reddy Memorial College of Pharmacy was established in the year 1997 by Sree Saraswathi Educational Society at Kadapa. Our college is one of the premier institute in pharmaceutical education and research in the country. Vibrant infrastructures, friendly management, supportive faculty are the sources of PRRMCP's success. The course programme and campus life aims to extract hidden talent in student community both in academics and extracurricular activities.

Students of PRRMCP are accorded a high quality of university education and the institution is fully responsive to contribute 21st century pharmacists for managing drug therapy outcomes and to meet challenges as future practitioners. Our college graduates are placed in various pharmaceutical industries & Companies in India and abroad

Associate Professor

Department of Pharmaceutical
Analysis

Objective of the programme:

The seminar aims to provide a comprehensive understanding of how these models can be applied to foster entrepreneurial activities across different global contexts. It seeks to explore the role of entrepreneurship in driving global economic growth, and how theoretical models can guide entrepreneurs in navigating the complexities of the global market. The seminar also intends to facilitate discussions on the challenges and opportunities presented by global entrepreneurship, and how theoretical models can help entrepreneurs make informed decisions.

Topics Covered:

- Understanding Global Entrepreneurship
- Theoretical Models in Entrepreneurship
- Navigating the Global Market
- Challenges in Global Entrepreneurship
- Future Directions in Global Entrepreneurship

PROGRAMME REPORT

Programme Name	A One Day Seminar on Theoretical Models for Global Entrepreneurism
Resource Person	Dr. Kishor Palapati, Professor, Department of Pharmacognosy, Gokula Krishna College of Pharmacy, Sullurpeta, Tirupati, Andhra Pradesh. Contact Numer:9014788429, Email Id: kishorepharmacog@gmail.com
Date of Activity	08/07/2022
Organized By	P. Rami Reddy Memorial College of Pharmacy
Venue	PRRMCP- Seminar Hall

Objective of the programme:

The seminar aims to provide a comprehensive understanding of how these models can be applied to foster entrepreneurial activities across different global contexts. It seeks to explore the role of entrepreneurship in driving global economic growth, and how theoretical models can guide entrepreneurs in navigating the complexities of the global market. The seminar also intends to facilitate discussions on the challenges and opportunities presented by global entrepreneurship, and how theoretical models can help entrepreneurs make informed decisions.

Topics Covered

- Understanding Global Entrepreneurship
- Theoretical Models in Entrepreneurship
- Navigating the Global Market
- Challenges in Global Entrepreneurship
- Future Directions in Global Entrepreneurship

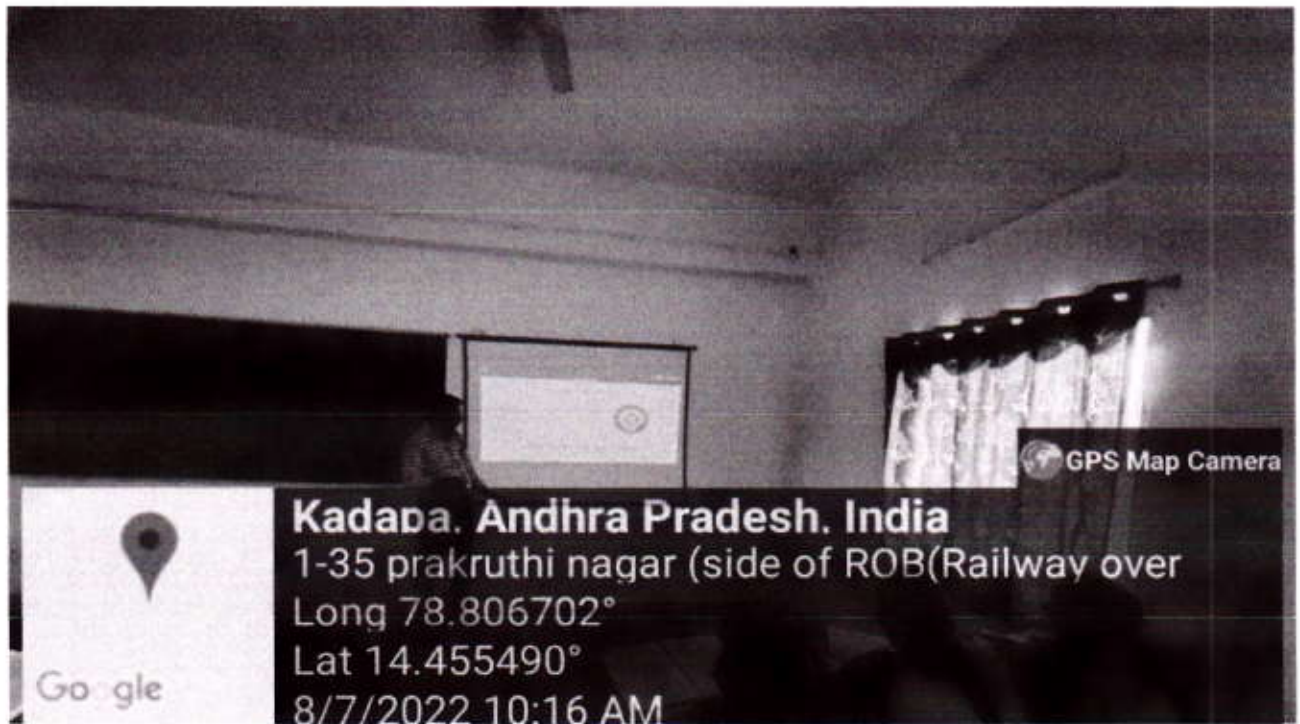

P. RAMI REDDY MEMORIAL COLLEGE OF PHARMACY

44/35-1, Prakruthi Nagar, Utukur, Kadapa – 516 003 A.P.

Approved by AICTE & PCI, New Delhi, Recognised by Govt. of A.P.

Affiliated to JNTUA, Ananthapuramu. Recognised U/S 2(f) & 12(B) of UGC Act, 1956.

Dr. Kishor Palapati gave a presentation on theoretical models for global entrepreneurship on 08/07/2022

Outcome of the Programme

Participants will gain a comprehensive understanding of the theoretical models that underpin global entrepreneurship and how these models can be applied in different global contexts. They will learn how to navigate the complexities of the global market and address the challenges faced by entrepreneurs in the global landscape. The seminar will also provide insights into the opportunities presented by global entrepreneurship and how to leverage these opportunities.
