The five-day session on GPAT (Graduate Pharmacy Aptitude Test) and PG CET (Post Graduate Common Entrance Test) was organized with the aim of providing comprehensive guidance and preparation strategies to students aspiring to pursue postgraduate programs in the field of pharmacy. The session covered various aspects of both exams, including exam pattern, syllabus, important topics, and test-taking strategies.

❖ **Day 1: Exam Overview and Pattern**

❖ **Day 2: Syllabus and Important Topics**

The second day focused on understanding the syllabus and identifying the key topics for both GPAT and PG CET.

Day 3: Preparation Strategies

- ✓ The session included tips on time management, creating a study schedule, and utilizing study materials effectively. Various resources, such as reference books,

online platforms, and mock tests, were recommended to facilitate structured preparation.

- ✓ Additionally, stress management techniques and exam-day tips were shared to help the students stay focused and confident.
- ✧ **Day 4: Mock Tests and Practice Sessions**
- ✓ The participants were provided with a set of mock tests designed to simulate the real exam environment.
- ✓ These tests aimed to assess their understanding of the concepts, improve their speed and accuracy, and identify areas that needed further improvement.
- ✓ After the mock tests, a detailed analysis was conducted, discussing the correct answers and providing explanations for the incorrect ones.
- ✧ **Day 5: Doubt Clearing and Recapitulation**

Conclusion:

The five-day session on GPAT and PG CET proved to be a valuable learning experience for the participants. They gained a comprehensive understanding of the exam patterns, syllabus, and important topics. The session equipped them with effective preparation strategies, including time management and stress management techniques. The mock tests and practice sessions provided them with hands-on experience and helped identify areas for improvement. Overall, the session served as an excellent platform for aspiring pharmacy postgraduates to enhance their knowledge, build confidence, and increase their chances of success in GPAT and PG CET.

Finally, the session came to end with heart felt gratitude towards speakers and experts from students and program co-ordinator.

The Training and Placement Cell of PRRM College of Pharmacy conducted Career Guidance Program on 25.04.2023 in the Seminar Hall at our College Campus.
Introduction:

The ICMR Career Guidance Session was a one-day program organized by PRRMCP aimed at providing valuable insights and guidance to aspiring individuals in the field of medical research. The program aimed to help participants gain a deeper understanding of career opportunities, skill requirements, and the overall landscape of medical research.

- The program was structured to cover various aspects of a career in medical research and was divided into several sessions:

The program started with a warm welcome to all participants, followed by an introduction to the importance of medical research in advancing healthcare and the role of ICMR in promoting research in India.

- ✓ **Career Pathways in Medical Research:** This session focused on discussing the different career pathways available in medical research, including academic research, clinical research, epidemiology, public health, and bioinformatics. Experts from respective fields provided an overview of the skill sets required, educational pathways, and potential career growth.
- ✓ lively discussion on the current challenges and opportunities in medical research. They discussed topics such as funding, ethical considerations, technological advancements, and collaboration between different stakeholders.
- ✓ **Breakout Sessions:** Participants were divided into smaller groups for interactive breakout sessions. Each session was led by experienced researchers who facilitated

discussions, answered questions, and provided valuable guidance on specific areas of interest.

- ✓ Participants engaged in hands-on workshops that provided practical insights into research methodologies, data analysis, and the use of advanced tools and technologies in medical research. These workshops aimed to enhance participants' skills and familiarize them with the latest research techniques.
- ✓ In this session, experienced mentors and career counselors provided one-on-one guidance to participants, helping them explore suitable career paths, offering advice on educational choices, and discussing strategies for career development.
- ✓ The program concluded with expressing gratitude to the participants, speakers, and mentors. The importance of continuous learning, perseverance, and dedication in pursuing a career in medical research was emphasized.

Conclusion:

The ICMR Career Guidance Session proved to be an informative and inspiring event, providing aspiring individuals with valuable insights into the world of medical research. Participants gained a comprehensive understanding of the diverse career opportunities available, the skill requirements, and the challenges and opportunities in the field.
