

ABOUT THE COLLEGE

P. Rami Reddy Memorial College of Pharmacy (PRRMCP) was established in the year 1997 by the Sree Saraswathi Educational Society, Kadapa. Our college is one of the premier institutes in pharmaceutical education and research in the country. Vibrant infrastructure, friendly management, and supportive faculty are the sources of PRRMCP's success. The course program and campus life aim to extract hidden talent in the student community both in academics and extracurricular activities. Our Vision is to provide quality and evidence based educational approaches in order to enable the students to face emerging challenges in the profession of pharmacy.

ABOUT THE SEMINAR

The field of clinical trials is continuously evolving with advancements in technology, methodologies, and regulatory frameworks. This one-day seminar aims to provide a comprehensive overview on the latest advancements and the challenges encountered in conducting clinical trials.

OBJECTIVES

The objectives of this one-day seminar is to provide attendees with a thorough understanding of the advancements and challenges within the realm of clinical trials. Also, the seminar aims to elucidate recent innovations in technology and methodologies utilized in clinical trials.

ABSTRACT SUBMISSION DETAILS:

Participants are invited to submit abstracts for research papers, reviews, or case studies. The last date for abstract submission is 17.02.2024. Kindly forward your abstract submissions to prrmcp24seminar@gmail.com.

Accepted abstracts will be considered for poster presentation during the seminar, provided authors will have an opportunity to share their insights and contribute to the discussion on clinical trial research.

REGISTRATION FEE

The registration fee for this one-day seminar is INR 300 only. All attendees will receive a participation certificate as an appreciation for their contribution to the seminar.

BEST PAPER AWARD DETAILS

Outstanding contributions will be recognized with Best Paper Awards. Papers will be judged on:

1. Quality and Originality: Innovative ideas and research methods.
2. Clarity: How well the presentation communicates.
